

**TOWN OF MARS HILL  
VACANCY ANNOUNCEMENT**

**DECEMBER 2, 2021**

**THE TOWN OF MARS HILL, N.C.** is seeking a qualified individual for the following position:

**TITLE:** Water Treatment Plant Operator – Full-Time Position  
Public Works Department – Water Resources

**DESCRIPTION:** The employee will perform responsible technical work in the operation and maintenance of the water treatment plant in accordance with all environmental regulatory laws, rules, and regulations. Work includes monitoring the plant's operation through observation, mechanical readings and the results of standard chemical and biological tests and to make necessary adjustments in the process as conditions or test results dictate. Other duties include performing standard laboratory duties and tests, assisting with plant and facilities maintenance and substantial record keeping of work activities. The employee will work independently.

**QUALIFICATIONS:** Graduation from high school or General Education Development Diploma (GED) with some course work in chemistry or biology; or Graduation from high school or GED and any combination of experience and training supplemented by on-the-job and formal instruction in water treatment plant operations that would likely provide the required knowledge and abilities. Must possess a valid NC operator's license and able to obtain other related certifications and licensures as may be required after hire.

**PREFERRED QUALIFICATION:** Possession of NC water treatment license Grade C Surface but will consider trainee status.

**SALARY:** Salary based on experience and qualifications. Generous benefit package included.

**TO APPLY:** Submit a Mars Hill Application to the Mars Hill Town Manager, 280 N. Main Street, PO Box 368, Mars Hill, NC 28754. Applications are available at the Mars Hill Town Hall and at [www.townofmarshill.org](http://www.townofmarshill.org).

**CLOSING DATE:** Open until filled.
